

## QUALITY AND HSE MANAGER

The ADDUXI group is an automotive supplier, composed of more than 300 people spread over 3 continents. We are a family business established in 1996 and we specialize in the transformation of plastics. It is positioned on the development and manufacturing of high precision injection molding parts, for various markets, with a predominance on the automotive sector. We are a dynamic and growing company, located in Rochester Hills, MI.

### Your missions:

- Contribute to the creation and implementation of best practices, strategy, policies, processes, and procedures to aid and improve operational performance.
- Contribute to new business initiatives and projects and review and communicate the impact on quality standards.
- Ensure compliance with IATF standards across departments.
- Contribute to global QMS initiatives with other company sites.
- Ensure that all in-house systems and procedures are updated, revised, and modified to meet the needs of internal requirements and external certification bodies.
- Respond to customer complaints using tools and customer portals.
- Train others in all aspects of the quality system and application of procedures.
- In conjunction with the Supplier Quality function, reduce the effect of non-conforming supplier materials on the production area.
- Lead Health, Safety, and Environmental (HSE) activities.
- Input and hold responsibility for quality budgets.
- Motivate and coach the quality team to operational success.

### Your profile:

- Bachelor's degree in Engineering
- 10+ years of experience in a similar role within an automotive manufacturing environment
- Strong knowledge of Lean Manufacturing and Six Sigma principles
- Knowledge of automotive core tools: APQP, PPAP, FMEA, MSA, SPC, and 8D
- Experience dealing with customers and suppliers
- Strong leader and team player

**Type of contract:** Salary, full-time

**Salary:** Negotiable based on experience

**Location:** Rochester Hills (on-site)
