

Quality Policy

At Adduxi Inc., Quality is an integral part of our Corporate Business Principles. These principles guide our actions to deliver products and services that are safe and compliant to customer, environmental, and legal requirements. They are essential for the achievement of our ambition to be recognized and trusted as the leading high precision plastic parts company. Our commitment is to never compromise on the safety, compliance and quality of our products and services.

This requires everybody to be engaged, to understand their responsibility in achieving our quality objectives, and to be empowered to take action in order to protect our customers and our brand.

Our Quality Policy summarizes the essential elements of our commitment: We are DRIVEN!

Constant	D edication to customer satisfaction
Diligent	R espect of legislation and applicable requirements regarding the environment, work health, safety conditions, our employees, and business partners
Continuous	I mprovement of internal and external customer performance, environmental responsibilities, and health and work safety methodologies
Strive for	V alue driven business philosophy
Persistent	E xcellence in every aspect of our company
	N o defect attitude
